

[SCEH 4H] Fair News, Day 1, June 8, 2019

Day 1 is done!

Walk around the San Mateo County fair and you'll see San Carlos represented all over. In the barn our kids are showing steer, hogs, lambs or goats. In the exhibit hall you'll see sculptures, photos, roses and more.

After the morning feed our farm kids met and discussed this years themes: resilience and perseverance. No matter what comes our way our club stands united or works together to solve any issue.

We hope you all visit us at fair this year!
