

Fair News Day 8, Saturday, June 15, 2019

Notice to Farm Kids: Feeding time is at **8am** tomorrow. Tradition is that parents clean the pens on the last morning of fair.

Auction Day

Today's livestock auction went very well. All the animals were sold and now the kids can start planning their projects for next year. It is always fun to hear the fast-talking auctioneer, meet up with friends of 4-H, and see the heartfelt support for the youth. Congratulations to all the kids for bringing their animals to auction and big thanks to all the buyers for their generosity.

Cake Booth

Tomorrow is our club's day to work at the cake booth in the Expo Hall. Stop by to say hi! Enjoy a slice of cake or other treats as well as coffee drinks- the week's proceeds benefit all the clubs in our county. And if you can, we need more help for the [last shift](#) of the evening.

Gardening

Our club members shared the beauty of their gardens with the fair. Millie Garrett won a 1st place ribbon for her display of Lemon Balm:

Asher Becker entered roses and won 3rd place for "Queen of Sweden." This is his rose "Avalon."

And our Club Co-Leader Maria Smith won 1st place ribbons for her fresh herbs cilantro and basil:

Tomorrow at Fair
