## President's message

Hey San Carlos 4-Hers!

We are over halfway through the 4-H year, and we have all achieved and learned so much! We elected new officers, chose projects, exchanged gifts, played bingo, and we still have so much left to do! With spring around the corner, I'm proud of all we have accomplished so far!

For our upcoming meeting, we will be doing one of my favorite 4-H activities, Cookie Judging! Our theme this month is to wear green or bring cookies to enter in the contest!

I'm so excited to see all of the cookies you guys bring!

-Haley Houston, President

**APRIL THEME: Wear pastels or bring cookies!**

# Club Activities

## Museum of San Carlos History Opportunity!

Our club has an opportunity to help the Museum of San Carlos History put on an exhibit about 4-H in San Carlos. This gives our club a cool opportunity to show the public what 4-Hers do and market the club to potential new members. If you have any interest in helping put this project together, please let Missy via email to [melissajanedamon@gmail.com](mailto:melissajanedamon@gmail.com). Also, if you have something that you made as part of 4-H that you'd consider lending for the display, please let Missy know that as well. We hope to have the exhibit up by Hometown Days.

## Need for Adult Volunteers

Our club has an urgent need for adult volunteers for next year, particularly for **Treasurer(s)** and **Community Leader(s)**.

Tina Cole has been our ultra capable and helpful Treasurer for many years and will be greatly missed. There is time to learn from her before she graduates in June (along with Annika). Experience as a Treasurer in another organization, such as a PTA/PTO or youth sports organization, would be helpful but is not necessary.

Amy Miller-Bowen and Missy Damon are completing their two years of service as Co-Community Leaders. Amy absolutely must step out of the role as her work travel is rapidly ramping back up to pre-COVID levels. Missy is willing to stay on as a helper for another year but would be happy to get out of the way for new leaders.

Please consider sharing a role, both as a way to divide the workload and also to increase the social benefit you'll get from volunteering. In any case, thank you for considering. If you have any interest in taking on either of these roles, please let Amy and Missy know, via email to [boquerona33@hotmail.com](mailto:boquerona33@hotmail.com) and [melissajanedamon@gmail.com](mailto:melissajanedamon@gmail.com).

## Newsletter Articles

Every 4-H member is encouraged to write articles for the newsletter. Writing a newsletter article is a great way for youth to get their writing, illustrations, or photos published! Articles do not have to be very long, they can be anywhere from a few sentences to a few paragraphs. Younger members who can't write an article on their own can tell their parents what to write and submit a drawing that goes with the article. Adding pictures and drawings is a great way to make your article more interesting. A newsletter article can be about anything 4-H related. You can write about something you did at the last General Meeting, your last project meeting, or a 4-H event you attended. Once you have written your article you can send them to [sceh4hnewsletter@googlegroups.com](mailto:sceh4hnewsletter@googlegroups.com). Make sure to be creative and have fun with your articles! If you have any further questions please feel free to ask

## Member Articles

At the latest Spring Arts & Crafts meeting, we made string art. String art is a really fun project, and you can make pretty much any pattern or picture you want with it. The art-making went well and it was a great project overall. I enjoyed it a lot.
