## President's Message

Hello 4-H'ers!

At our upcoming meeting on February 13th, we will be celebrating Valentines Day! We will be making Valentines cards for residents at the San Carlos Elms, a local home for senior citizens. Not only that, but we will be having a Valentines themed pot-luck, so feel free to bring some snacks to share with the group. Lastly, if you want to participate in the theme of the month, you can come dressed in the Valentines spirit (pink, red, hearts, etc.) or you can bring a treat to share with the club. I look forward to seeing you all there! - Adele Enthoven, President

## Member Report

### Spring Arts and Crafts

by: Alyssa S.

We had our first meeting on January 21. We made snowflake decorations by sewing sparkly thread onto a small piece of chipboard, then adding strips of paper and a silver gem to finish off the design. We also had the Beginning 4-H project visit our meeting.

## Community Leaders' Corner

### Registration

Congratulations on successfully completing registration for the 23-24 year! This year we have 85 registered youth along with 36 registered adult volunteers. 4-H acknowledges that the registration system is cumbersome, but unfortunately, there is not much we can do about it. Thank you for your persistence!

### Volunteer Needs

As you've likely experienced, volunteers are essential to the 4-H program. Thanks to volunteers across the County, our youth are able to participate in a wide variety of projects and experiences, such as shooting archery at Elkus Ranch, raising farm animals in San Carlos, serving meals in Redwood City, and giving presentations at Menlo College. We are very fortunate to have so many generous and caring adults in our 4-H community giving their time to our youth and we thank you all!

Right here in San Carlos we need additional volunteers to support our participation in Hometown Days in May. We usually participate in the parade on Saturday morning AND host a dime toss booth throughout the weekend (all day Saturday and Sunday). We need coordinators for both the parade and the dime toss. Please let Katie and Missy know via email to [sceh\\_community\\_leaders@googlegroups.com](mailto:sceh_community_leaders@googlegroups.com) if you're interested in serving in either role, we can fill you in on what is involved.

Other "one-time" volunteer opportunities are coming up soon, such as helping with Life Skills Day. Keep an eye on messages from our Google Group and thanks for considering!

-Katie and Missy, Co-Community Leaders

### Submitting Newsletter Articles

Every 4-H member is encouraged to write articles for the newsletter. Writing a newsletter article is a great way for youth to get their writing, illustrations, or photos published! Articles do not have to be very long, they can be anywhere from a few sentences to a few paragraphs. Younger members who can't write an article on their own can tell their parents what to write and submit a drawing that goes with the article. Adding pictures and drawings is a great way to make your article more interesting. A newsletter article can be about anything 4-H related. You can write about something you did at the last General Meeting, your last project meeting, or a 4-H event you attended. Once you have written your article you can submit it to [sceh4hnewsletter@googlegroups.com](mailto:sceh4hnewsletter@googlegroups.com) email. Make sure to be creative and have fun with your articles! If you have any further questions please feel free to ask.

Shelley Nelson, Newsletter mentor

## Next newsletter article deadline: Friday March 8, 2024

Email newsletter articles and photos to the [sceh4hnewsletter@googlegroups.com](mailto:sceh4hnewsletter@googlegroups.com) email. Thank you!

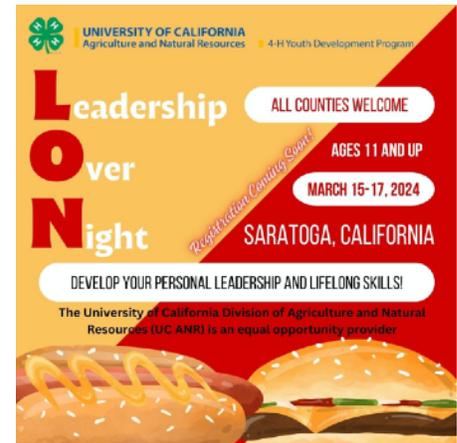

## County Events

### 4-H Leadership Overnight (LON)

What is Leadership Overnight (LON)?

LON is an annual weekend leadership conference, hosted by the 4-H Ambassador Team in Santa Clara County. Seminars, panel discussions, and interactive games make up the fun and educational event. Youth learn about their personal leadership style and important new skills.
