

SAN CARLOS EATON HILLS 4-H

<http://sancarlos4h.org> | Next Meeting April 20, Online

Upcoming Club Events:

General Meeting

Tuesday, April 20, 7pm

General Meeting

Tuesday, May 18, 7pm

President's Message:

Dear 4-H Families,

Happy April! I hope everyone is doing well and I cannot wait to see you all at our next meeting. For my part, I am busy preparing my lamb for the fair, planning 4-H camp, and deciding on what college I will attend next year.

I was so happy to see you all participate in our March meeting and show off your amazing outfits. Our club is certainly full of some very creative minds.

Our April meeting is sure to be a lot of fun, so be prepared to get cozy in your pajamas to participate in our PJ theme! In addition, you will get to see a video about our farm and learn about raising animals. But wait, there's more! We will also be announcing a new and fun event coming up the weekend after the meeting (more information to follow!).

Finally, a quick update about 4-H camp: we are still unsure about what guidelines will have to be in place during the week but we are trying our best to make camp as close to usual as possible. Be on the lookout for more information during the meeting and updates to come.

See you all soon!

Elise Wacha

President

April THEME: Wear Your PJs!

Virtual Farm Open House at the Next Meeting

In addition to a packed agenda, we have an extra special program: **Virtual Farm Open House!** Project members and the farm community will introduce you to the San Carlos Eaton Hills 4-H Farm from afar. And you'll meet many of the animals, learn more about the farm projects and the San Mateo County Fair, you'll also have time to ask questions of our star-studded Farm panel.

See you on Tuesday!

Wondering What Next Year's Projects Might Be? Are you (or your kids) enjoying this year's projects? Would you/they like to see some other projects offered? Or maybe bring back projects we've had in the past? Now is the time to start thinking about what projects you may want to see added or a project that you would like to lead.

Member Reports

I Love Sugar

Zeina Henry

If you have too much sugar, you can ask me to eat it. I got jelly beans on Easter. In cookie project, we made blueberry pie cookies. They were delicious. I ate the ones that had a pile of frosting as big as the Stanford Dish on them. How much sugar?!

New Pen Flooring for the Lamb Project

Hayley Houston

For the past few years, the dirt in the lamb pens at the 4-H farm has been a huge problem. It was a hassle to clean, caused a lot of coughing for the lambs, and those who had to clean it. This year we decided to change it, and a few 4-Hers offered their time and labor to help dig out the dirt to prepare the concrete. After that, *Cemex* and *Power concrete* donated all the concrete needed and the labor to install it. The lamb project is extremely grateful for those who put in the labor and time for free. The lambs this year love it and it couldn't have been made possible without you guys! The concrete will be there for years to come and will be a reminder of how our 4-H club has always gone above and beyond to help others. We hope that next year everyone can come out and see the beautiful work done! For now, Apollo, Edward, Jacob, and Arlington express their "baa-itude"!

County Calendar Events

[County Council Meeting](#) – May 24, 2021

For a complete list of events, visit the 4-H County Web site [calendar page](#).
