President's Message

Hi all! I hope you all had fun playing bingo at our last meeting, I know I did! Sadly, I won't be here for our next meeting (woo! cabin leading at Westminster Woods!) so I'll be leaving the MC-ing in the hands of one of your Vice Presidents, Annika!

This meeting would usually be our potluck, but we've unfortunately had to forego that program due to COVID-19 protocol, and we will be replacing it with an abundance of project reports to learn about what a ton of our 4H-ers are up to! I hope you all attend and have a great time!

Best,
Leanna Gower

Member Photos for Website

The San Carlos Eaton Hills 4-H Club group photo on the club website is a great way to look back at our club in the future. This year due to covid we are not taking a group photo. Instead, similar to last year we will be making a photo collage. If you do not see your photo on the website please send it to robert.lewit@gmail.com.

Newsletter Articles

Every 4-H member is encouraged to write articles for the newsletter. Writing a newsletter article is a great way for youth to get their writing, illustrations, or photos published! Articles do not have to be very long, they can be anywhere from a few sentences to a few paragraphs. Younger members who can't write an article on their own can tell their parents what to write and submit a drawing that goes with the article. Adding pictures and drawings is a great way to make your article more interesting. A newsletter article can be about anything 4-H related. You can write about something you did at the last General Meeting, your last project meeting, or a 4-H event you attended. Once you have written your article you can submit it to sceh4hnewsletter@googlegroups.com. Make sure to be creative and have fun with your articles! If you have any further questions please feel free to ask.

County Directory Art Contest

Congratulations to our very own club member April Anderson, whose entry in the directory cover contest won first place!

Member Reports

Picking Out Goats

A few members of the goat project went and picked out their goats for this coming 4-H year!. They went to a goat breeder in Jackson California and 3 of them each got one goat. All of the goats are wethers (castrated males). They will be bringing their goats to join the 4-H farm at the end of February so stay tuned for more goats to enjoy!

4-H Christmas Caroling at Carlmont Gardens Nursing Home

Presentation Project

We have had a couple of meetings for the presentation project. Taylor had us writing short speeches with topics she gave us. Everyone had a different topic. My topic was the second amendment. I had 15 minutes to write a speech and present it to our group. I was nervous about it but it went ok. Other

topics have been, who is someone that you admire. I wrote about my grandpa. I don't like speaking in front of people but this project gives me good practice so I'm not afraid. –Noah Meeks
