President's Message

Hi San Carlos 4-Hers!

This month, our club's focus is on charity — a fancy way of saying "helping other people". You can bring a new, unwrapped toy to donate to children in need, or travel size (small enough to fit in a backpack) toiletries to donate to homeless people. Small gestures of kindness, like the donations from our club, can make a big difference in someone's life!

For our meeting activity, we will be making greeting cards to give to senior citizens in the San Carlos community; feel free to include a holiday- or winter-themed message. 4-Hers who attend the caroling event in December will deliver the cards. I hope everyone has a blast!

NOVEMBER THEME: Bring a toy or toiletries to donate!

Interested in showing livestock at the County Fair?

On November 9th there was a mandatory informational meeting. Included in the meeting there was information about filling out the County Farm Use Request form, due 11/15/22. If you missed the meeting, but are still interested in showing livestock, please contact Farm Manager Kathleen Murray at cykat95@yahoo.com.

First Annual 4H Winter Craft Fair

This is a county wide fund raiser. You are all invited, so please come.

We have been busy making magnets and Sugar Scrubs for the Craft Fair. Our next project will be making dog treats.

We are selling all of this at the Winter Craft Fair on **December 11 from 10am to 1pm** at the San Bruno 4H Farm, the other clubs in our county will also be selling crafts.

Along with crafts from the different clubs, there will be Wreath making, Gift wrapping, and a fairy house. You can also see San Bruno's Farm (maybe they may have some animals there).

We hope you all can make it to the craft fair and help support your our own 4H club along with the awesome work these 4Hers have been doing.

4 H 4 Service

As a follow up to the announcement at the last meeting, 4 H for Service is collecting materials for St. Anthony's. The 4 H 4 Service participants will be assembling the kits.

Here is the sign up genius to use if you can contribute toiletries. You can purchase these at the pharmacy, on Amazon, etc.

Lawn Signs

Hello Everyone,

I am rounding up the last of the 4-H lawn signs so we can use them again next year.

Thank you to those of you who have already returned your signs.

Please email me regarding which of these methods will work for you:

- 1) Bringing them to the November 15 general meeting.
- 2) Dropping them off on my porch (2690 San Carlos Avenue, San Carlos)
- 3) Having me swing by to pick them up at your house

My email address is EllenHohbachScheetz@gmail.com. My cell phone is below.

Thank you for your work in spreading the word about our great 4-H Club!

Returning Volunteers Overlap of Service

December 31st marks the end of the 6 month overlap of service that allow Adult Volunteers that were enrolled in the previous year to continue to serve the program.

Please make sure you complete all Volunteer enrollment requirements so your enrollment may be Approved in 4-H Online by January 1st. Those volunteers that do not have an Approved enrollment as of January 1st may not actively serve as an Adult Volunteer.

As you enroll and re-enroll in 4-H, please be sure to reference the available resources found on the

We will be practicing the songs from 6 to 6:15 p.m. Singing will start "officially" at 6:15 p.m. We will be singing outside, so please dress warmly. If umbrellas are needed that day, please bring one. (We are singing outside as that keeps the residents safe. They still are not able to allow groups inside.)

Please dress in whatever expresses "holiday" to you so our group looks festive.

For those of you in the Leadership project, you can leave right after caroling for your meeting. We scheduled it, so you can do both.

Newsletter Articles

Every 4-H member is encouraged to write articles for the newsletter. Writing a newsletter article is a great way for youth to get their writing, illustrations, or photos published! Articles do not have to be very long, they can be anywhere from a few sentences to a few paragraphs. Younger members who can't write an article on their own can tell their parents what to write and submit a drawing that goes with the article. Adding pictures and drawings is a great way to make your article more interesting. A newsletter article can be about anything 4-H related. You can write about something you did at the last General Meeting, your last project meeting, or a 4-H event you attended. Once you have written your article you can send them to sceh4hnewsletter@googlegroups.com. Make sure to be creative and have fun with your articles! If you have any further questions please feel free to ask.

County Day of Service

The county day of service will take place this year on November 13 from 1-3 at the San Carlos Library. This is a fun event that allows members to participate in a variety of service projects. Each club in the county will have a station where they will walk participants through a project. Our club will be represented by the 4-H 4 service project and will be working on creating bags from used t-shirts to give to people with food insecurity in San Francisco. If you attend please remember to bring a used t-shirt and toiletries to help in our project.

Thanks,

Fynn
