President's Message

Hello 4-Hers!

It was great to see you all at our October meeting! I hope you all enjoyed learning about different projects at the project fair.

For our upcoming November meeting, dress in Fall colors (think red, yellow, orange, brown). If you want to participate in our Toy Drive, we are looking for new toys for children aged roughly 2-12 at a price point of around \$25.

At this meeting, we will also be making holiday cards to distribute to senior citizens in our community. 4-Hers who attend the caroling sing along at the senior home in December will distribute them.

I look forward to seeing you all soon! -Adele Enthoven

NOVEMBER THEME: Wear Fall Colors! Optional: Bring a new toy!

November Meeting Toy Drive

At this month's meeting, we'll be collecting toys for the families served by the Saint Francis Center in Redwood City. Please bring toys to donate; we really appreciate it! A full wish list is attached, and it's recommended to spend around \$25 on the gift. If you aren't able to get the toys yet but still want to donate, you can bring the toys by November 30 to any of the following houses:

Damon home, 208 Timothy Drive, San Carlos

Forrest home, 908 Rosewood Avenue, San Carlos

Enthoven home, 1027 Porto Marino Drive, San Carlos (at the end of a long driveway; leave gifts at top of staircase by front door)

And we will include them in the collection for the St. Francis Center. Thank you again!

Member Reports

Farm Clean-up:

This past month we had our first farm clean up of the year. It was a great turnout and we had a lot of fun getting to know new members interested in raising livestock this year. We got a lot done around the farm and especially in the garden and compost area. Thank You to Ginny and Joanne for grilling up some delicious hotdogs and lemonade for everyone to enjoy after all that hard work!

Just a reminder, if you do plan on raising an animal on the farm but were unable to make it to the clean up please ask your project leaders about alternative ways to get credit for this mandatory meeting.

A Glimpse of the Past, Submitted by Tina Cole

Did you know that a quarter-century ago:
Our farm had a landline telephone
Our club ran a fudge booth
And then as now we enjoyed Pizza and Bingo!

We know this from hand-written entries in a [club treasurer ledger](#) dating from 1998. (If you would like to take a look for yourself and find out more about our club history, adult treasurer advisor Janna Sampson has this notebook in our financial records. Also, project leaders Becca and Danielle might have memories to share if you ask them about their time as 4-H members. What are other ways you can find out about the past?)

Submitting Newsletter Articles

Every 4-H member is encouraged to write articles for the newsletter. Writing a newsletter article is a great way for youth to get their writing, illustrations, or photos published! Articles do not have to be very long, they can be anywhere from a few sentences to a few paragraphs. Younger members who can't write an article on their own can tell their parents what to write and submit a drawing that goes with the article. Adding pictures and drawings is a great way to make your article more interesting. A newsletter

article can be about anything 4-H related. You can write about something you did at the last General Meeting, your last project meeting, or a 4-H event you attended. Once you have written your article you can submit it to sceh4hnewsletter@googlegroups.com. Make sure to be creative and have fun with your articles! If you have any further questions please feel free to ask.
