President's Message

Hello 4-Hers!

Happy New Year! I hope you all had a great holiday season and a restful winter break. Coming up at our January general meeting, we will be having our annual pizza and bingo night. I can't wait, as this is one of my favorite 4-H meetings of the year. In other news, at our January meeting we will also have our "wood cookie" name tags. For those who don't know, "wood cookies" are a tradition that comes from 4-H Summer Camp. Wood cookies are basically name tags made out of wood that you get to decorate and personalize. For those who have already made one, be sure to bring it to the meeting, and for those who haven't, we will have all the supplies for you to make one there. Hopefully this way we can all learn each other's names a little better. I look forward to seeing you all there! - Adele Enthoven, President

January THEME: Bring Winter Clothes to Donate to Central Middle School Yosemite Lending Closet! (clothes for ages 11-14)

The 4-H 4 Service Project is collecting warm clothing for the Yosemite lending closet at central middle school. Donations will help all students access clothing they need to enjoy the school trip to Yosemite. We are collecting non-cotton layers, rain jackets, boots, hats, rain pants, and hiking pants at the **January General Meeting, Tuesday, January 16th.**

Market Goat Project Update

Article by: Lucy Winmill

This past weekend our market goat project took a trip out to Lodi. We went and visited a goat breeder to find our next project animals. Together as a project we looked at the kids (baby goats) and picked our favorite ones. Some project members are planning to get their animals from this breeder and others have found their goats at different farms. All the goats will all be ready to come to our 4H farm at the end of January to early February. We can't wait to see what everyone ends up with! Looking forward to a great year for the San Carlos/Eaton Hills 4H goat project!

Christmas Letter from the St. Francis Center

Article by: Margaret Forrest

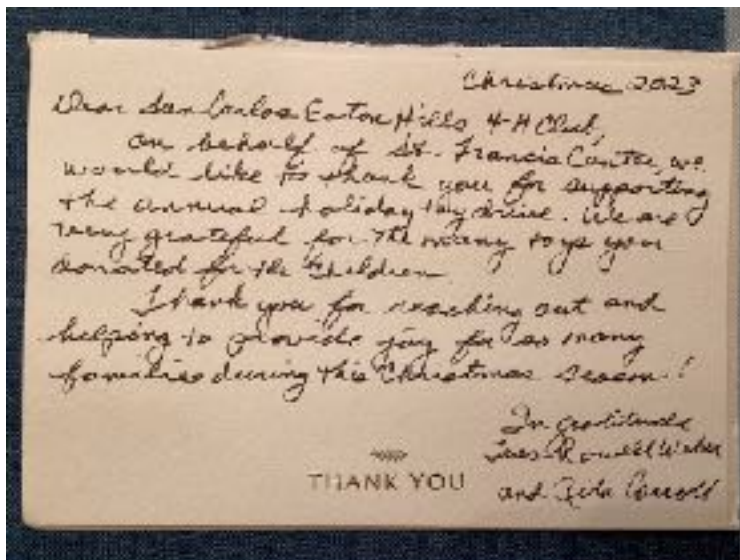

Last month we organized a toy donation to give toys to a nearby center called the St. Francis Center, which distributed them to families and children in need. They sent us a thank-you note afterwards, and I'm sharing both the photo and the write up below.

Dear San Carlos Eaton Hills 4-H Club,

On behalf of St. Francis Center, we would like to thank you for supporting the annual holiday toy drive. We are very grateful for the many toys you donated for the children.

Thank you for reaching out and helping to provide joy for so many families during this Christmas season!

In gratitude, Tess Rowell Weber and Rita Carroll

Submitting Newsletter Articles

Every 4-H member is encouraged to write articles for the newsletter. Writing a newsletter article is a great way for youth to get their writing, illustrations, or photos published! Articles do not have to be very long, they can be anywhere from a few sentences to a few paragraphs. Younger members who can't write an article on their own can tell their parents what to write and submit a drawing that goes with the article. Adding pictures and drawings is a great way to make your article more interesting. A newsletter article can be about anything 4-H related. You can write about something you did at the last General Meeting, your last project meeting, or a 4-H event you attended. Once you have written your article you can submit it to sceh4hnewsletter@googlegroups.com. Make sure to be creative and have fun with your articles! If you have any further questions please feel free to ask.

Shelley Nelson, Newsletter mentor

Next newsletter article deadline: Friday February 2, 2024

Email newsletter articles and photos to sceh4hnewsletter@googlegroups.com. Thank you!
