Arts and Crafts for Fair Did you know that you can enter artwork into the San Mateo County Fair? There are lots of youth categories and during this project we'll explore 8 of them (probably ceramics, jewelry, paper craft, cultural craft, Legos, leather craft, photography and painting). Our goal is breadth not depth. This project is perfect for elementary-aged kids who have already completed Beginning 4-H and aren't old enough for some of the other projects.	Mandy Lin Holly Liu	<p>11/11 (Sa), 12/3 (Su); 1/21 (Su); 2/24 (Sa); 3/31 (Sa); 4/29 (Su); 5/12 (Sa); 6/2 (Sa).</p> <p>Time: 2-3:30pm</p> <p>location: Lin house in San Carlos or library</p>	<p>Ages 6-10</p> <p>Preference given to kids who have completed Beginning 4-H but are too young for many of the other projects</p>

<p>Presentations</p> <p>Speaking in public is often referred to as one of the top fears that people face. Yet, speaking with confidence is a skill that can help you get an A on a class project or win an argument with your mom.</p> <p>If you would like to work on your public speaking skills, the Presentation Project is the project for you.</p> <p>In this project we will work on how to structure presentation content, how to make visual aids, and how to deliver your presentation in a way that will make people listen and your message get across. We won't just talk about it, though, we will actually be working towards putting together an actual presentation to deliver at 4-H Presentation Day in February. One of the real benefits of taking the Presentation Project is that you can get credit for official 4-H presentation, which are required for earning your star rankings. By participating, you will be eligible to earn credit for up to three presentations!</p>	<p>Ryan Heitel ryanheitel@gmail.com</p> <p>Lorraine Heitel lheitel@gmail.com</p>	<p>Thursdays 7-8</p> <p>These dates: 11/16, 11/30, 12/7, 1/4, 1/18</p> <p>Saturday Dress rehearsal: February 4</p> <p>Presentation Day: February 10</p>	<p>Ages 9 and up</p> <p>Members must be available on February 10 for Presentation Day</p>

<p>Rabbit, Socialization</p> <p>Rabbit Socializers interact with SPCA rabbits and small mammals to build trust and help them prepare for adoption. There is a wide range of personalities among rabbits from the highly social to shy or even cage protective rabbits that require careful handling. For this reason this project requires 4H members to be at least 10 years old and have prior rabbit experience. Parents and youth members work together approximately 1 two hour shift a month. Training is required.</p>	<p>Rita Gould</p>	<p>Lantos Center for Compassion (SPCA) at 1450 Rollins Road in Burlingame.</p> <p>SPCA shift is on Saturdays from 9-11 am. Participants select the dates they work with the objective of covering all the Saturdays shifts by at least one family.</p>	<p>Ages 10 and up</p> <p>must have prior rabbit experience.</p> <p>training is required</p> <p>parents and youth members work together</p>

<p>SET plus some “M”</p> <p>Do you enjoy making things that fly, roll, or drop? Do you like to build electrical gadgets? Or figure out how something works? If so, this 4H project is for you. Each meeting involves a hands-on activity, most of which are new this year. The activities are designed for a range of skills and ages. Younger members can complete them with adult assistance, while older members can learn more of the science/math behind them. The meetings begin with a brief tutorial on the important science and engineering concepts. And if you are a JTL, there are many opportunities for you in this project, such as, help give the tutorials, lead each meeting's activity, and help the younger members with the activities.</p>	<p>Keith Farkas</p> <p>Doug Magie</p>	<p>Generally 2nd Saturday of each month.</p> <p>Specific dates: 11/18 12/9 1/13 2/3 3/10 4/21 5/12</p> <p>San Carlos Library</p>	<p>Open to all</p>
