**Project Description:** This project teaches members about public speaking through performing, and acting. Along with learning public speaking and acting skills, members will also learn to be confident while presenting.

**Project Objective:**

1. Learn Public Speaking
2. Learn Acting Skills
3. Understand stage direction
4. Understand technical theater

**4-H Motto:** In drama project you will learn how our 4-H pledge and motto applies to what we are learning, and using what we have learned into every day life.

“To Make the Best Better” “Head Heart Hands and Health”

**Materials Needed:**

- Medical Form (required)
- Money for t-shirt (optional)
- \$2.00 for printing fees (required)

**Credit:**

To get credit for this project you have to make 5 out of 8 meetings and must actively participate during meetings.

**Requirements:** You will be required to pay a \$2.00 printing fee at the beginning of the year . You are also required to keep a record form of your meetings.

**Bathroom Policy:** You may go to the bathroom whenever you fee like it, you do have to let me know first, and must have a leader escort you.

**Absent Policy:** If you cannot make it to a meeting, you must email or call me a week in advanced. If you have three or more excused absences you can clear them by attending a performance, or by doing any 4-H sanctioned event. (Demonstration day, favorite foods day, fashion review) if you have 3 or more unexcused absences the only way to clear them is to do an information board and turn it in by the April meeting.

**Expectations:**

1. Follow Instructions
2. Come prepared to have fun and learn
3. Come every month
4. Come on time

**Respect:** I have a 0 tolerance for any behavior problems. If you are bullying, putting down, or in anyway hurting a fellow member your parents/guardian will be called to pick you up. If it happens again you will be asked to leave the project.

In 4-H we must create a safe atmosphere for everyone to grow and have fun!
