President's message

Hey San Carlos 4-Hers!

This month we have the last meeting of the year. How far we have come! This month we will be watching a presentation from local first responders and making posters for the Hometown Days parade. We will end the meeting with an ice cream social to celebrate the end of the year and the beginning of summer. This meeting's attendance counts for two meetings, so make sure you sign in to get credit for your attendance. I hope you all had a fantastic year in 4-H, and I look forward to seeing you all next year.

MAY THEME: Wear beach clothes!
(Sunglasses, hats, Hawaiian shirt, etc.)

Club Activities

Need for Adult Volunteers

Our club has an urgent need for adult volunteers for next year, particularly for **Treasurer(s)** and **Community Leader(s)**.

Tina Cole has been our ultra capable and helpful Treasurer for many years and will be greatly missed. There is time to learn from her before she graduates in June (along with Annika). Experience as a Treasurer in another organization, such as a PTA/PTO or youth sports organization, would be helpful but is not necessary.

Amy Miller-Bowen and Missy Damon are completing their two years of service as Co-Community Leaders. Amy absolutely must step out of the role as her work travel is rapidly ramping back up to pre-COVID levels. Missy is willing to stay on as a helper for another year but would be happy to get out of the way for new leaders.

Please consider sharing a role, both as a way to divide the workload and also to increase the social benefit you'll get from volunteering. In any case, thank you for considering. If you have any interest in taking on either of these roles, please let Amy and Missy know, via email to boquerona33@hotmail.com and melissajanedamon@gmail.com.

Newsletter Articles

Every 4-H member is encouraged to write articles for the newsletter. Writing a newsletter article is a great way for youth to get their writing, illustrations, or photos published! Articles do not have to be very long, they can be anywhere from a few sentences to a few paragraphs. Younger members who can't write an article on their own can tell their parents what to write and submit a drawing that goes with the article. Adding pictures and drawings is a great way to make your article more interesting. A newsletter article can be about anything 4-H related. You can write about something you did at the last General Meeting, your last project meeting, or a 4-H event you attended. Once you have written your article you can send them to sceh4hnewsletter@googlegroups.com. Make sure to be creative and have fun with your articles! If you have any further questions please feel free to ask

4-H Camp

Hey 4-Hers! San Mateo County 4-H Camp registration is now open, register while there is still space left! 4-H camp is a 5-night overnight camp with tons of traditional camp activities, and new activities special to 4-H Camp! County Animal Field Day

This year County Animal Field day and open house is on May 13th from 9 to 12 at the Pacifica farm (830 Rosita Rd). This event is a great way to learn what it takes to raise animals on the farm. Stations will be set up around the farm where you can learn about different animals and tasks involved in a typical day on the farm. This event is open to all 4-H members and non- 4-H members, so please invite your friends. You can register at:

Rabbit Husbandry Meeting

This month Leona brought her little bun (Neeya) to the rabbit husbandry meeting. She enjoyed playing bunny charades, and about rabbit body language. Especially when the bunny lays in the flop or super hero position!

4-H Experience

4H Experience, formerly Life Skills, held on April 29 at the San Carlos Library. We have about 45 craft entries which included string art, leather work, photos, drawings, ceramic and needle work.

They had a fashion show of consumer wear altered, handmade fashions including a stuffed highland cow! They had baked goods, table settings and crafts for kids to do.

- Joanne Dunbar

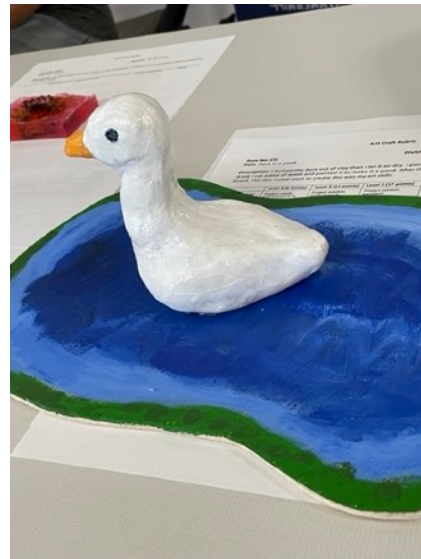

Crafts Project

Our last meeting was May 7th.

We made luminary candle holders

We had a big crowd, everyone glued flat gems on vases. Not as easy as you would think. Some fell off when we were done however we still had our glue guns ready to replace the follower gem!
