Tuesday May 21, 7pm

## President's Message

Hello 4-Hers!

I hope everyone had a restful spring break. It's hard to believe we only have two more general meetings before the year is over! At this upcoming meeting, we will be playing our annual capture the flag game. This game is outdoors, so be sure to wear good shoes and weather appropriate clothing. The theme of the month is to wear athletic clothing so you can do your best while playing capture the flag! Can't wait to see you all there.

- Adele, President

**April THEME: Wear Athletic Clothing**

## Peninsula Humane Society Donation Drive at April General Meeting

Article By: Clara HS

Hello 4-Hers! This is a reminder that at the April General Meeting, I will be collecting donations for the Peninsula Humane Society, a local non profit working for animal welfare. Here is the link again to their wishlist: <https://phs-sPCA.org/donate/wish-list/>. Please refer to my article in the previous club newsletter for further details about the drive. Thank you all so much for considering donating and see you at the next General Meeting!

# Member Reports

## 4-H 4 Service LifeMoves project

Article by: Fynn

Recently, the 4-H 4 service project organized a meal and activity night for families at the Redwood Family House. Children of all ages and their families enjoyed a dinner of chicken and Mac and Cheese while working on rock painting or board games. In January, we held another meal and Valentine's Day activity that was also a great success. The 4-H members enjoyed working on this project and great impact on the community.

## Presentation Day

Article by: Fynn

Presentations are a great way to learn about something that interests you and teach the 4-H community. San Carlos 4-H members had a fun and successful day at Regional Presentation Day. These members qualified to present at the regional presentation competition by winning either blue or gold at the county level. Following this event, they all qualify for the State Presentation event at UC Davis.

## Submitting Newsletter Articles

Every 4-H member is encouraged to write articles for the newsletter. Writing a newsletter article is a great way for youth to get their writing, illustrations, or photos published! Articles do not have to be very long, they can be anywhere from a few sentences to a few paragraphs. Younger members who can't write an article on their own can tell their parents what to write and submit a drawing that goes with the article. Adding pictures and drawings is a great way to make your article more interesting. A newsletter article can be about anything 4-H related. You can write about something you did at the last General Meeting, your last project meeting, or a 4-H event you attended. Once you have written your article you can submit it to [sceh4hnewsletter@googlegroups.com](mailto:sceh4hnewsletter@googlegroups.com). Make sure to be creative and have fun with your articles! If you have any further questions please feel free to ask.

Sophia Redkey, Newsletter Editor

## Next newsletter article deadline: Friday May 10

Email newsletter articles and photos to [sceh4hnewsletter@googlegroups.com](mailto:sceh4hnewsletter@googlegroups.com). Thank you!

## County Events

### 2023 Crop Cover Design Opportunity

By: Katie

The county is looking for students between **grades 6-12** to design the cover of the 2023 Crop Report. You can find out more information about this opportunity [here](#), due 5:00 pm, Friday, April 26th.

### 2024 Life Skills Day Festival

Sunday, April 28th

Activities from 1:00 pm - 4:00 pm

College of San Mateo

For those who may not remember, Life Skills Day has something for everyone, including a number of activity tables and events for youth to participate in. In addition to activity stations open to all youth, the event also provides 4-Hers an opportunity to exhibit non-livestock entries, such as crafts, photos, posters etc. Additionally, we have a number of contests in the Foods & Nutrition and Sewing/Fashion areas for youth to participate. We've made changes to the contests to expand them to more members to hopefully increase interest. I've created this [event and contest information guide](#) that provides more details, and this can be sent or even shared at a club or project meeting.
